COMBINED RAILWAY – MARITIME TRAFFIC WITHIN
TRACECA CORRIDOR**

Tbilisi / Georgia, 6 October 2011

ЗАСЕДАНИЕ РАБОЧЕЙ ГРУППЫ

**ПО ПОВЫШЕНИЮ КОНКУРЕНТОСПОСОБНОСТИ
СМЕШАННЫХ ЖЕЛЕЗНОДОРОЖНО-МОРСКИХ
ПЕРЕВОЗОК НА КОРИДОРЕ ТРАСЕКА**

г. Тбилиси / Грузия, 6 октября 2011 г.

AGENDA

**Of the Working Group Meeting
on Increasing Competitiveness of Combined Railway-Maritime Traffic
within TRACECA Corridor**

1. Current analysis of the ITC TRACECA competitiveness. Freight traffic trends, the situation within alternative corridors. Problem issues (bottlenecks in the corridor).
 2. Factors influencing the competitiveness. Optimization of the components influencing the costs of the railway traffic.
 3. Positions of the countries regarding the expediency of preferential coefficients application according to the CIS tariff policy, as well as ITT and ETT.
 4. Measures with a view to increase the competitiveness of the TRACECA corridor (discussion and recommendations, possible options). Necessary application of the relevant tariffs based on calculation of the actual cost.
 5. Coordination of tariff rates in railway and maritime transport for transit freight.
 6. Discussion and signature of the Final Protocol.
