

LOGISTICS PROCESSES AND MOTORWAYS OF THE SEA II
OPENING MEETING OF LOGMOS PROJECT FOR THE BLACK SEA REGION
KIEV, 4- 6 JULY, 2011

AGENDA

Global objective of the workshop:

Promotion of the EC technical assistance to the transport sector in the TRACECA region

Facilitation to establishment of the TRACECA corridor based on a network of logistics centres (ILCs) and a network of motorways of the sea (MoS)

Encouraging dialogue and regional cooperation within TRACECA intermodal transport and logistics dimensions

Specific objectives of the workshop:

Summary of the results achieved by the former MoS and ILCs Western TRACECA projects in TRACECA Black Sea countries

Presentation of the 'LOGMOS' project and its place within the frame of the EU transport policy

Proposed methodology for reaching the targets set to the project

Adoption of a working procedure, scheduled action-plan and performance indicators by and between the stakeholders of the existing MoS and ILCs pilot projects with the support of the 'LOGMOS' team

Host: EC funded project "Logistics Processes and Motorways of the Sea II"/Regional ENPI East
